

Australasian Epidemiologist

Authorship and Disclosure form

To: The Editors, *Australasian Epidemiologist*, Australasian Epidemiological Association ABN 93 597 475 807, c/o School of Exercise and Nutrition Sciences, Deakin University, 221 Burwood Hwy, Burwood 3125 VICTORIA, Australia (FAX number: +61 3 9244 6017)

I/we:

Name of Author(s)

request the Australasian Epidemiological Association to publish in the Journal *Australasian Epidemiologist* the following article:

(Title of manuscript)

Authorship

In support of my/our request, I/we warrant:

- (a) I am/we are the only author(s) of the Article;
- (b) the Article is an original work and does not infringe the copyright or other rights of any person;
- (c) if any person who is not an author of the Article has made a substantial contribution to the Article in any way, he or she is acknowledged in the Article;
- (d) I/we own all rights in the Article (eg I/we did not write the Article for my/our employer[s]);
- (e) the Article has not been published anywhere in any form, and I/we have not submitted the Article, or anything substantially similar to the Article, for publication anywhere else; and
- (f) the Article is accurate and complete, and is not misleading or deceptive.

Ethics

Research published in *Australasian Epidemiologist* should be conducted in accordance with the Australian Code for the Responsible Conduct of Research (2007). Clearances for research that involved any of the following must have been obtained from the appropriate Ethics Committee and/or Biosafety Committee.

- (a) Did this project involve experiments on human subjects? YES NO (*please circle*)
If YES, please state the name of the Human Ethics Review Committee, the approval number and the date approval was granted.

- (b) Did this project involve experiments on animals? YES NO (*please circle*)
If YES, please state the name of the Animal Ethics Review Committee, the approval number and the date approval was granted.

- (c) Did this project involve genetic manipulation of organisms or the use of radioactive/carcinogenic / toxic chemicals? YES NO (*please circle*)
If YES, please state the name of the Bio-Safety Committee, the approval number and the date approval was granted.

Copyright

From the date of acceptance of the Article for publication, I/we assign to the Australasian Epidemiological Association all copyright in the Article throughout the world. I/we understand this means that from that date I/we will no longer own any copyright in the Article, and AEA may, among other things, edit and publish the Article anywhere in any form, including electronic form. There is no in principle objection to articles being reproduced provided acknowledgement is given to the original source of publication. The editor should be contacted for specific requests.
